

Dear colleagues

University of Medical Sciences Adana City Research and Training Hospital and Turkish Society for metabolic and bariatric Surgery is proud to announce that Prof. Dr. Robert Rutledge who has established mini-gastric bypass which is a world wide accepted and performed bariatric procedure will be attending the ‘Minigastric Bypass Bronze certification course’ that will be held between 21-22 June 2018 in Adana. The course topics includes standardization of minigastric bypass procedure, technical details, theoretical and practical information, live surgery and case presentations which we believe will contribute to the professional development of the attendants.

We would like to welcome our colleagues that are interested in the field to attend this course. We expect your attendance

Sincerely

On behalf of the organizing committee

Associate Professor Suleyman Cetinkunar, MD

Adana City Research and Training Hospital

Department of Surgery
